Participation and scope

I voluntarily participate in the photography session identified in this form with Michael Ivory Photography LLC, through Michael Ivory (the Company). This agreement applies only to the described session and the disclosed activities. I am at least 18 and legally able to sign.

Disclosed risks

Ordinary production risks may include trips around cables and stands, uneven surfaces, stairs, footwear, wardrobe restrictions, light or heat exposure, and fatigue from posing or movement. Only activities identified below are authorized. Water, elevated surfaces, traffic, animals, stunts and similar added risks require a specific safety discussion and separate written approval; this form alone does not authorize them.

Safety and voluntary participation

I will follow reasonable safety instructions, report hazards promptly and avoid moving equipment without permission. I may decline a pose, activity or product, request a break, or stop if I feel unsafe. The Company remains responsible for taking reasonable safety precautions. I acknowledge the disclosed inherent risks that remain despite reasonable care.

LIMITED RELEASE OF ORDINARY NEGLIGENCE

Only to the extent applicable law permits, I release Michael Ivory Photography LLC, Michael Ivory and personnel acting within their assigned production duties from my claims for bodily injury or property damage caused by their ORDINARY NEGLIGENCE during the specifically described activities. This is a waiver of certain legal rights. It does not cover gross negligence, recklessness, intentional misconduct, unlawful conduct, undisclosed activities or rights that cannot legally be waived. It does not apply where a statute prohibits it, including New York General Obligations Law section 5-326 when applicable. No minor's claim is released.

Limits and other agreements

This form does not transfer copyright, authorize public use of my likeness, change payment terms, authorize medical treatment, or create an indemnity obligation. Those matters require separate agreements. Invalid provisions do not expand the remaining provisions. Mandatory law of the place of the session continues to apply.
